The cooler of cheer tickets are drifting in slowly and the deadline is approaching. With this being our largest fund raiser we are asking our members to please support this fund raiser. I know most members buy the tickets, rather than sell them but if you don't want to buy them please sell them to support your club. We need the funds to provide the necessities for the club.

Brenten Baker has made a substantial donation of a cooler and a few bottles of booze. Connie and I are donating the other cooler, a few amenities and a forty ounce bottle for each. Any other contributions for this fundraiser are more than welcome, please contact me.

On June 17th Connie and I attended receptions at Cooley Canal Yacht Club and Toledo Sail Club. While Bay View Yacht Club were visiting SPBC at Park Haven, several of our bridge, myself included slipped over to WYC for their reception. Brenten Baker made the trip to Harbour View Yacht Club showing representation for Sun Parlour there. With the cancellation of the Cedar Point Family Trip we decided to visit Swan Boat Club the first weekend in

July. V/C John Bowers and Lady Margaret along with Connie and I were in attendance at Swan's reception that Saturday afternoon.

On the 8th we stopped at Elba Mar Boat Club to attend their Elba Mar Days party and the reception. We also made it to a reception at Ottawa River Yacht Club and stopped at George and Toni Szabo's place for a drink to celebrate their recent marriage. We finally arrived back at Elba Mar around nine and continued partying till the wee hours of the morning. I'm sure glad I had my boat there as driving was out of the question.

Every year Bob Walker of Park Haven Marina hosts a Special People Boat Ride Day. There are the obvious boat rides provided by volunteer boaters followed by festivities, food and drink for the duration of the day. This year Bob is donating an electric wheel chair to the Special People. I know this report is late to request help for this year but, if you have some time next year please contact Bob Walker early in the year for information as to how you can help. This is a worth while event and the people do enjoy the boat rides and festivities.

Shawn and Laurie did a great job on the Dinghy run, they sure ordered perfect weather for it. I won a few battles but lost the war with my new water gun. I will go back to the drawing board for next year. Thanks to all the host homes, their generosity is greatly appreciated.

This is my last time to invite everyone to our Regatta and 1st poker run. This should really be a great event so try to come out and enjoy. We could still use a lot of help if you can find even a couple hours of your time.

Labour Day weekend looks like we are going to hang around Holiday Harbour for when Wyandotte and Seaway come in and just chill and visit. As of right now there is no structured event.

In June Michelle and I attended the Opening of the Islands at Ford and Elba Mar, and then we put on our event for Elba Mar/Sun Parlour Games, attended Wyandotte's Reception, and attended Bayview to Sun Parlour.

I want to congratulate Assistant Fleet Captain Shawn O'Neil for an awesome job putting on the Bayview Event. There was a good showing of Sun Parlour Members along with good food and good times. Great job Shawn.

The July 1st weekend was cancelled, but this weekend took Michelle and I along with the children to East Harbor State Park in Lakeside Ohio. It is a nice marina; dockage is \$1.25/ft. Took the bikes along on the boat, did biking into the trails of the State Park and they offer a very nice supervised beach area.

July will take us to Elba Mar 7th & 8th for Elba Mar Days. We will be attending the Dinghy Poker Run on the 17th, then Nugent's Canal's Poker Run, after that will take us to I-LYA Bay Week and then for some R & R for 4days at Maumee State Park starting the 30th of August.

Our Regatta / Poker run is coming up fast. We have rec'd a lot of good items for the Auction. I could still use more if anyone has some nautical items or other gifts that were received that are in good condition to donate for a good cause.

Again, calling for photos and stories to share with the other club members. You can be anonymous if you prefer.

Izzy and I had a great tour of the south section of Lake Huron with five other couples from SPBC. We went to Port Huron, Grand Bend, Bayfield and Port Sanilac. The mosquitoes are out in full force. Let us know if you find any products that keep them away so we can share the advice with other boaters. Our group at Holiday Harbour is using a mosquito vacuum that runs on propane. It seems to lower the number of the little critters but does not get them all.

Crystal Bay Rendezvous

August 25, 26 and 27

Contact Bill Woods or Dave West

A good time to relax and enjoy the clear water and good company

Bring your dingy and explore hidden bay.

Everyone should bring and use their anchors; we want a stable raft in the bay

And for our visitors from the US, remember to call into Canada Customs.

For those who have not yet visited Crystal Bay.

Fill up your water tanks and bring your genny as this is an
“On the Hook” event, with no hydro or water supplied.

A fridge full of munchies for DIY meals would also come in handy.

Cooler of Cheer Tickets:

Please help support SPBC by selling them and return the funds and ticket stubs to Bill Woods ASAP.
