*Commodore's  
Report  
April Log*

I guess I was the only one with my report in early last month. Everyone else waited for the AYC weekend to finish and included the function in their reports. I've been to several AYC functions and new from past practice that I would probably be incapable of completing a report after the event so I made sure mine was in before.

The AYC weekend was a blast as usual. I spent three days at the event and four days recuperating.

I would like to mention the boat bar. A crew of officers and members from Sun Parlour Boat Club got together and built the most awesome bar I've seen for boating functions. This bar was in our hospitality room at

the AYC. They actually cut the aft section of a boat and reworked it to include shelves etc. I know there were others, but I can only name a few who worked on the bar, so I will have blame V/C John Bowers, F/C Brenten Baker, R/C Marty Zamparo, and Herman Bolger of Offshore Marine for not informing me of everyone implicated in this delicate task. I would like to say thank you to all involved. It was a stellar project and I'm sure one our club will use for years to come.

I have to include a word or two for John and Margaret Bowers and the people from Seaway Boat Club who we co-hosted the hospitality room with. The room was fantastic. I shouldn't say this but I think it was our best to date. It's going to be a big job next year should they try to out do this years efforts. Once again thank you V/C John Bowers and Lady Margaret and thank you to your crew who worked so diligently to insure the results obtained for this years event.

Besides the AYC function Connie and I have represented the club at Cooley Canal Yacht Clubs Ball, North Cape Yacht Clubs Ball, and Ford Yacht Clubs Ball and even managed to make an appearance at Sun Seekers Boat Club Ball. Along with the balls we attended the annual Commodore, Fleet Captains meeting, and will be at the AYC bowling fundraiser in Monroe March 18<sup>th</sup> and March 19<sup>th</sup> we will be in attendance at the annual Commodore, Vice Commodore and Past Commodores spaghetti dinner.

We're looking forward to seeing everyone at the Membership Appreciation Night, April 1<sup>st</sup> and if you can't make it to the Appreciation Dinner, we will see you at Sun Parlour, Seaway Games hosted at Seaway Boat Club, April 22<sup>nd</sup>.

Don't forget we have a General Membership Meeting Thursday April 13<sup>th</sup> at Branch 12, 2090 Brant St. If anyone doesn't know where Branch 12 is located please feel free to contact myself or any bridge / board member for directions.

The Flag Officers, Board of Directors and Members of Sun Parlour Boat Club wish to extend our Condolences to the Families and Friends on the passing of:  
Donald Gullick, Father of P/C Don Gullick

Commodore's  
Report  
April Log*

Well it wont be long now and we should be back in the water! Various groups have been working vigorously on preparations for our first chance to host an AYC Poker Run (Regatta). Members started working on this back in October 2005. I am proud to say they have made great headway and things are progressing well. We can always use an extra hand however and if I haven't talked to you personally yet please give me a call. We are always open to feed back or new ideas. Together we will be able to put on an event we can all be proud of.

New for this year Dave and Izzy West will be heading up an Auction at the poker run. They will be looking for donations, so this would be a good time to get rid of those fur coats, diamond ear rings or any other items you have no use for (this does NOT include husbands). Contact Dave or Izzy if you have any questions.

Looking forward to seeing all of you at our Spring events that are just around the corner.  
Sincerely,

*V/C John Bowers*

*Communication  
Report  
April Log*

If you have any boating items for sale or trade, send in the information with a photo if available and we will print it in the log, space permitting.

I am looking for items to sell at the regatta auction. If you have some donations in mind, give me a call. If it is from a business, please attach a business card so that you can be recognized.

We need another photo of a nautical item or location to put in the log for the members to identify. Please send it to me by e-mail or snail mail and we will try and provide a brain teaser for the next publication.

*Dave West*
