Commodore's Report

Here it is gone; summer that is!!! This summer has flown by and it seem like yesterday that we launched our boat, now it is time to haul her out and put her

away for the winter. September brought good events, the dinghy run hosted by Asst F/C Brent Baker & Lady Julie; which was a lot of fun, the weather started off a little wet, but turned into a great sunny day, we stopped at Acali Place Marina which Jack & Randy Pretli put on a great lunch of burgers & hotdogs, a stop at Gerry & Virginia Lemay for hotdogs, Asst F/C

Brent Baker house for fajitas, and then finally Park Haven for pizza.

The Auxiliary put on another successful burger night with fajitas, chicken kabobs, burgers and some great desserts. There has been a lot of hard work put on by the Auxiliary and their volunteer base and they deserve a great round of applause; the TGIF party hosted by P/C Bill Woods & Lady Connie on September 26th. Lady Michelle & I attended Detroit Beach Boat Club & Indian Hills Boat Club regattas and receptions on September 6th, so we were notable to attend the golf outing which I heard was a great time had by all. I want to thank all the members that came out and participated at the General Membership meeting. There were many constructive ideas that were put forth and this Board will be working in the next few months to give you facts and figures for the proposals brought forth. This Board wants to make the best possible decisions concerning the future for this Club and we thank you for your input.

October brings in the annual fall crawl on the 18th and I see that R/C Reg Major has some great stops set up for us on the Ottawa River, and the final stop will be at Sun Seekers clubhouse which they opened last year. Lady Michelle & I look forward to this event and visiting some great clubs and hanging out with our SPBC members. Mark your calendars for October 16th, the last Auxiliary nite of the season and it will be a chilli cook off.

Marty Zamparo

Vice Commodore's Report

The summer has gone, and I hope it left you with some great memories. To finish off the season, we had the Golf Outing, and on its heels, the Dinghy Poker Run. Thanks to Jerry & Debbie Hebert and Brenten Baker for showing us a great time, we need to keep these types of events going. The Auxiliary ended their last "Burger Nite" with a full menu, and we had another good turnout.

There is still more to come, with TGIF, then the Chilli Cook Off, on October 16th. Not to be outdone by either, I'm sure R/C Reg Major will show us an unforgettable time on the Fall Crawl. Down the road, on November 15th, the Commodore's Ball will take place at the Radisson Riverfront Room. This is a slightly different venue

than in the past, but it promises to be excellent with an awesome view. Please see the flyer in the log or website for further details.

2009 is the year everybody must have an operators card for anything motorized on the water, and we have been given the opportunity to have a Canadian Power & Sail Squadron Boat Pro Course for SPBC members. For those of you that don't have your cards yet, this short course will set you up. We would like to know if there would be interest in having this in the winter. Please drop me a line. Speaking of 2009, its time to look ahead to next year's board of directors. There will be some openings that could use some attention. This is your chance to help make your club great. Contact us soon, as the slate of officers will be going out shortly. Shawn

Rear Commodore's Report

Hello Everyone,

It's already October, where did the season go?

I hope to see a lot out for the Fall Crawl; initial response has been very good. Hopefully I can get our numbers early to make the decision to go with one bus or two, and two would be great, but we need 75 - 80 people to make that viable. Please respond ASAP! I know that Commodore Marty & Lady Michelle will have a great Ball, thanks to the efforts and planning of V/C Shawn & Lady Laurie. I hope to see you all there. Call or see me for room reservation info, we have a block of 25 rooms for Friday and 45 rooms for Saturday. If you call the Hilton toll free at 877-973-7829 Ext. 4208, the 2008 code is SMERF. During this past year,

whenever I represented the SPBC at any function, I made every attempt to do so properly. That wasn't the case at our September meeting. After being laid off from Ford's, a group of us from work had to attend an orientation/information meeting at the CAW Centre, after which we went out for a little pity party luncheon. As a result, I was not sober for our meeting. It is inexcusable and I apologize to the entire Membership. It will not happen again. See you soon! Reg

Membership Chair Report

September is usually the time of year that our boating season starts to go downhill but we can look back at all the fantastic weather we have had this summer on the water. This past summer Jo-Anne and I have travelled a lot and had a great time meeting and getting to know several of our club members on these trips. That and seeing all the hard work our members have put into making every one of our functions successful this year has created the kind of club we can be proud of. This will go a long way to help us keep our present numbers up and also attract new members.

The Membership Fees for NEW members for 2009 have been set at \$200. (\$150 for Membership Fee & \$50 for Application Fee which includes Membership Appreciation Night). I know of several that will be applying for 2009 and that is a good sign. But the year is not over yet and we still have a few things on the schedule so keep up the good work.

Gerry Ediger

Log Chair Report

Hello Members,
WOW! By the time you get this Log it will be OCTOBER, and I guess it is time we start thinking about getting the Boat ready for winter. If you winterize your boat yourself, and are new at it, there are a number of good articles on the Net that will show you how to do it. Also, Don't forget about the Chile Cook-off and "The Crawl" By having the Cook-off first and THEN the Fall Crawl it should be a very Explosive Event!! And, Last night I was laying in bed looking up at the stars in the sky and thinking " Where in the hell is the ceiling? So, Until Next month remember A Day Without Sunshine Is Like, Well, Night.
See you -- Me

Auxiliary President's Report

I would like to thank all the members, families, and friends who have supported our Auxiliary burger nights by attending, and a special thank you to the people who took the time to assist with donations of foods, those who helped with the setup / takedown, those who helped in the kitchen serving and cooking.

Without these members our burger nights would not have been the success they were. Burger nights are coming to an end with a Chilli cook off to be held at Holiday Harbour Marina on October 16th from 6:00 till 8:00pm. Along with the chilli, hot pretzels will be available. Check the log and web site for the flyer on this event.
