# Commodore's Report

Wow! February is here already. Ball season has started. I have attended my first ball as Commodore, it was at ORYC. It was a very nice ball. I will be going on a cruise on February 22nd till March 2nd so, unfortunately, I will not be able to attend a couple of balls. I will get someone to represent SPBC in my place .

January 27th there is a reception at ORYC for TIYC at 1 pm that I will be attending.

AYC weekend is coming up February 17 and 18 th and I think a lot of members will be attending this great event and looking forward to it. I have sent in all the information to update the AYC yearbook and it should be out probably the beginning of April.

Looking forward to having a great year

# *Vice Commodore's* **Report**

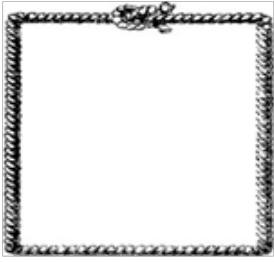

I have been an active member of SPBC for many years and I have been involved as a Board Member and Commodore for SPBC and I-LYA. I am very proud to be your Vice Commodore this year and look forward to having some fun. It takes a lot of people to ensure SPBC's continued success. Sometimes its easy and other times it can be a challenge. It's great to see past and new members on the Board to support Commodore St Pierre, and you, the Members.

It has been a while since PC Sharon and I have fully engaged in the Club and it's going to take a little time get back into the groove of things. I plan on holding events at the Marina this year, and would like your support to help me understand the kind of activities and events you would like to see. I want to focus on Member and family activities that are inclusive of everyone at the Marina, including kids and grandchildren. If you have any ideas, please contact me and share your thoughts at (519) 818-7050 or email me at SPBC2005@bell.net

To those that would like to get a feel for what's involved as a Board member or Flag Officer, please get in touch and I will do my best to include you as we visit and take part in some of the I-LYA and AYC activities.

Stay tuned

## Report

Hello everyone, my name is Jerry Taylor and I am your S.P.B.C. 2024 Fleet Captain.

Shirley and I have been members since 2001 and between the two of us have served 14 years on the board and in 2012 I was Commodore and it was an honour to represent you and the Club. We have a lot of great plans for the upcoming boating season and I can't wait to get started. Keep an eye out for notices of upcoming events.

The 2024 AYC Poker Run schedule is out and if you have never been to a Poker Run, plan on saving a few of those dates, they will not disappoint. If you have questions of any kind, or any ideas for things you would like to see the Club do, please do not hesitate to contact me.

Looking forward to see you soon.

Happy New Year!

Your new board of directors has had our first meeting and all are settling into their new roles. We are always looking for more help, so I encourage you to speak up and step up. In particular, we are looking for a new media person (webmaster), so if this appeals to you, please let someone know.

I attended our first AYC monthly meeting, along with PC Gerry Veerman. Plans are now in place for the AYC Ball weekend taking place at the Sheraton Detroit Metro on Feb 16, 17 & 18 to celebrate the end of the year for all of the 2023 Commodores (including me ☐) and in particular to celebrate our 2023 AYC Commodore Jay Crumb. Gerry & I will be hosting a hospitality suite in our room over the weekend like we did last year. Come by for a drink and to meet up with some friends.

Boating season will be upon us before we know it and I am looking forward to feeling the sunshine on my shoulders again. We will soon have up our listing of events for the year. I encourage you all to keep an eye open for them in the monthly Log and on our Facebook page and to participate and have some fun with your Sun Parlour peeps.

## Report

We currently have 124 memberships which is actually 248 members. We are planning on sending out statements in February. I have seen a lot of newer members stepping in to help out this past year. This was very encouraging to see. My theme for 2024 is, see if you can spare a few hours of your free time to help your club function as smoothly as possible. Always remember that this is your club and together we can always make it better. Looking forward to 100 percent renewal of memberships.

Hope to see and meet as many of you as I can this year.

# Communications

## Report

It is, once again, my pleasure to serve the club as Communications Officer for this coming year. As an aide to our members, I have compiled a brief brochure outlining the graphical location and contact information for all of the clubs along the Michigan and Ohio shorelines that we are affiliated with, just in case you wish to go exploring. Almost all of them have reciprocal agreements with SPBC and will welcome you to their establishments. We do ask that you conduct your visit respectfully and represent your club with dignity, as I am sure you will all do.

This package will appear as an attachment along with the Log and if you do find it useful, please drop me a line at [spbcommunications@gmail.com](mailto:spbcommunications@gmail.com) to let me know that my efforts were not in vain. I thank you and will see you through the coming year.
