Commodore's Report

As Commodore, my main function is outreach to the AYC (Associated Yacht Clubs), so I attend, or send a representative to as many AYC events as I can. Although I am eager to attend as much as possible, there is always a Past Commodore ready to step in when I am not available.

This is important for our club as many of our members utilize the benefits of being a member of the AYC. With access to over 30 other boat clubs on Lake Erie, there is always something to do and with the reciprocal benefits available to us, there is always somewhere to visit, by car or by boat.

In June, I was proud to represent Sun Parlour at Cocktail parties. Cocktail parties are an AYC Event where Commodores and Past Commodores all get together to show support for the host Commodore and their club. It involves lots of tasty hors d'oeuvres and lots of complimentary drinks. The goal of these events is to cement relationships between all the Commodores, and it works! The famous \$1.98 contest was held last month as well. It was certainly interesting being the only female competitor.

Last month was also the Opening of the Island. This is a beautiful ceremony with all PC's dressed in their whites to officially open the AYC Clubs on & around Grosse Ile. There is plenty of comradery, some jeering as to which Commodore year is the best and a lovely boat ride, with cannon fire to welcome us back. Lots of fun. All are welcome and we had great representation and support from Sun Parlour members, some who stayed overnight, and even some of our new members, who all had a great time. The Poker Runs started last month as well. Normally our Fleet Captain would organize a group from the club to travel together and party all weekend. There are prizes awarded for various categories, such as perfect attendance. Although we had no official representation, Gerry & I happened to be in the area, so we stopped in for a couple of hours. I wish we had brought our boat as I didn't want to leave. If you are interested in putting together a group to attend a future Poker Run, please let me know as our club gets points when our members attend.

Back at home, we had a great karaoke night. Thank you to Rick Ingalls & Izzie Dulmage for their organizing talent and Brianna did a great job as host. People were a bit hesitant to get up at first, but it didn't take long for the liquid courage to kick in and had everyone singing.

We also held a Lasagna night with entertainment by the Power & the Glory Band. Again, much fun was had by all and we danced off all the Lasagna calories. This was Commodore Ball fundraiser, so thank you to everyone who attended and also to our US friends for their support. It is sincerely appreciated. We also had our away trip, to Sarnia Bay Marina. This was timed for Canada Day, so we got to view the fireworks from our boats. We arranged a couple of great dinners and even a "field trip" to see how the fireworks are put together for the show.

Remember to check at the end of the log for a listing of all our events. It is also on our website <http://www.sunparlourboatclub.com/> and on our Facebook page. Come on out and have some fun.

Immediate Past Commodore's Report

I send you July greetings with mixed emotions. June has come and gone with some exceptional events, but I just wanted to briefly share an experience Pat and I have had. We were told that one of the best parts of being involved with the boating community as Commodore of this amazing club is the friends for life we will make. I never imagined how many friends we would make and how extremely close we would become with our class of 2022, and the class of 2023. They have become family to us, and as a family we lost a fellow 2022 Commodore Dan Petro very suddenly and tragically. The support, love and friendship for his wife Amy has been one of the most incredible experiences I have ever been part of.

Equally special is the experience Pat and I have had leading SPBC these past 2 years. I would like to thank the membership for all the support and help with the many events we do each month. Without you this is not possible. What a great experience Karaoke at Holiday Harbour was, the recent Ball fundraiser and our second trip as a club to Sarnia Bay Marina. This club has so much to offer, and a membership that is second to none. I look forward with anticipation to where the future of this club is headed and could not be prouder.

I look forward to supporting the future leaders of this club, great things happen with great members. Please reach out to anyone of us on this amazing board regarding opportunities to keep this club moving forward. There are positions requiring commitments, but with that there are many members and Past Commodores more than willing to step up and assist.

Happy boating, and have a safe and fun July.

Communications Report

Karaoke, what a fun event. I'd like to thank all the members who came out to enjoy the meal that we offered and especially our helpers who graciously volunteered their time to lend a hand and make it all possible. Brianna held the pieces together by MCing and announcing the acts as they came up to give their rendition of the song of their choice. Next week, July 7, is another karaoke event, but, we plan to add a little to it. It is a "Rock Star" theme, meaning that along with the usual bunch, there will be guest celebrities dressed and emulating their favourite person or group. They can do 1 but are encouraged to do 2 songs from their alter ego. So, give it some thought and plan to participate, it should be a lot of fun.
