# Commodore's Report

Wow, time flies. I can't believe I'm already entering my 6th month as Commodore and the summer season is here. It promises to be a fun summer and I'm looking forward to getting to know everyone a bit better.

May started off with our Cinco de Mayo party. Thank you to Pat Bastien & team; Kathie Louks-Moore, Russ Moore and others. I understand Julie Holmes kept everyone entertained. I stopped by before heading off to another commitment and had a couple tasty margaritas. Great job everyone!

Our Shakedown Cruise was great fun. We originally had 23 boats signed up, but it got whittled down to 15 as some boats still needed to shake off their winter blues. Numerous members came by car throughout the weekend and added to the fun. Thank you to everyone who participated and brought goodies (booze & food). A special thanks to Paula Stiles who put together the items needed for our Caesar party on Sunday, even though she wasn't able to attend. Our charcuterie party was outstanding! Thank you to Swan for being amazing hosts. We love you guys!!

Last Saturday was the first ever Opening of Holiday Harbour, our home port. Thank you to Dan, Bill, Brianna and all other who helped. I could not attend the dinner due to another commitment, but was able to make it in time to see Crack the Whip – great band!

What can I say about the Blessing of the Fleet. The weather was beautiful and we had a great turnout, both for the Blessing & the luncheon afterward. I was mostly kept out of the loop as our PC team got together to make this happen. Thank you very much to Jim Cyrowski & Bob Skeates for coordinating everyone and to all the members who signed up to assist. We have such a great team. Thank you also to Fr. Stan for always being there for us. Fr. Stan does numerous Blessings around the lake and we really appreciate being on his list.

Keep an eye on your emails, our website, the log and our Facebook page for all of the fun events coming up in June and please volunteer if you can. We couldn't have such a great club without our volunteers. Your board appreciates all the help and new ideas you bring to our club.

I am wishing you all a safe, fun, wonderful summer.

## Report

For most of us, our boats are in the water and the season has begun. Our Shakedown cruise to Swan Boat Club is in the books, and I believe all involved had a great weekend. Last weekend was busy with the opening of our port at Holiday Harbour with a great weekend of events, followed by the long standing tradition for our boaters with the Blessing of the Fleet the following day with a luncheon and complimentary safety checks for our boats.

The first Poker Run of the season begins in a few weeks at Cooley Canal beginning the weekend of June 16th and 17th. I do have the log book for anyone that is considering attending the first event for 2023. Anyone interested can contact me with any questions.

Registration is open as well for those of you interested in attending the I-LYA weekend at Put-In Bay. Spots are filling up quickly.

I look forward to another great year, participation is the way to really appreciate everything this membership has to offer. Please reach out if you would like to join us at any event. There is just so much to take advantage of, and so many new friends and places to discover.

## Report

Due to a health issue my husband is dealing with right now, we have not made it to all the events. But I did attend the Blessing of the Fleet. The Blessing is a special event that my family is always involved in and this year was no different. We had only one boat in the parade, we usually have 2, but it was a beautiful day and everything was perfect. Lunch was great, with plenty of food that we all enjoyed. It was a well planned event, and thanks to everyone who made it happen.

At the present time, we have 101 memberships, but I have 4 applications pending approval. Three new members and one returning. These applications will be presented to the board at the next scheduled meeting.

Thanks everyone for the interest in our Club. It is nice to see the new applications coming in!
