Report

As many of you are aware, Gerry & I were away for most of October. I would like to thank those who stepped in while we were away to keep things running along. A successful club takes a village!

Thank you to our member Joanne Ediger who volunteered to run a children's painting class for Sun Parlour Boat Club members last month. As a member, if you have an idea and would like to volunteer to run a "one-off" event, please let us know. You will not have to do it alone. This is your club; make it so. Thank you also to our Vice-Commodore Marilyn St. Pierre and PC Bill Deans for putting together our Chili Cookoff and to Marilyn for getting our Whatever Wednesdays started again.

Whatever Wednesdays will continue through November, so mark your calendars and come on out and have some fun with your boating friends.

November will also see us celebrate you, our members, with a Membership Appreciation party on November 12th. This is a totally free event to celebrate our members with some soup, snacks, and free draws. Also, last chance to sign up for our Funk n Motown Commodore's Ball featuring Border City Brass (the same band that played at our Regatta). It promises to be a great night. As a member, you would have received an email invite to this great party; it's easy to sign up online.

My year as Commodore is almost over. I am so grateful for all the fun and new lifelong friends I have made in the past year. This year will certainly stand out as one with many great memories and adventures. Thank you to our members who have contributed in ways large, and small to make our club a success over the past year.

Report

I was thinking of what has happened since my last report and realized we were away for 3 weeks. It's always fun catching up, and nice to have people who were able to step up and cover for us.

I have been reflecting on the past 2 years and realize how wonderful it has been. We have made so many wonderful lifelong friends, had some incredible experiences, and saw some positive growth in numbers within our own club.

We do have some real issues to face in the coming months. We need involvement from the membership in order to continue moving forward, the future of the club depends on it. Please consider stepping up and getting involved. You will have support and you will learn as you go. This club has so much to offer, but also has the opportunity to give back. The saying goes "This boat does not run on thanks alone." Please consider this and feel free to ask questions. Any help at all is better than no help at all.

The year-end Commodores Ball is quickly approaching honoring your hard-working Commodore Pat Brough. There's still time to sign up if you're interested.

Have a great month, and count down to the spring launch has begun!
