Commodore's Report

August is in the books and what a great month it was.

We started off August with our Elba Mar trip. Thank you to PC Dan Fitzpatrick for organizing this event for us. We had a great time partying with everyone. The Dinghy Run was finally held, in decent weather. As usual you guys came through with some great costumes and make the event a success and a lot of fun and we had a lot of help with the organizing as well.

The event of the month, of course, was the Regatta. Our club members really stepped up and we had lots of members, new and well experienced step up to showcase our beautiful club to our AYC friends and to our families and guests. Thank you to everyone for making "my" Regatta very special. As we look forward to year end, I cannot help but think of the future of our club. We now have someone in the Vice Commodore position and Marilyn will step up to Commodore next year, but we still have other positions to fill on our Bridge.

We have a great club and it has been an honour and joy to serve. Moving up through the bridge has taken me to places I never expected and allowed me experiences I would never have imagined. I have made so many new friends. Do not be intimidated; you will have loads of help. Being a member of the Bridge is a commitment, but it is well worth it. The best part is that it will never end. You are a Past Commodore, with privileges and connections in the boating world for life.

Please remember to check the schedule of events at the end of the log and volunteer where you can or come out and join the fun. Your participation is important.

Please also remember to "Save the Date". Our Commodore's Ball is being held at the St. Clair Centre for the Arts on Saturday, November 18th. This is a beautiful night with dinner and dancing. Don't miss out.

Immediate Past Commodore's

Report

Say it isn't so! This past month has literally flown by. With the many events that we put on or attended, we managed to fit in some family time with having some of our kids and grandkids spend time with us. We definitely have some catching up to do with family.

The rescheduled dinghy run didn't attract as many as we had hoped for, but participants made up for it with their enthusiasm and great costumes. Well done!

The regatta was overwhelming! I realize Facebook was flooded with pictures, complements and thanks, but I too have to complement and give thanks to all that made it the success it was. I believe everyone there would agree that it was some party on Saturday night. I cannot begin to name all the amazing members that helped out.

September's schedule will slow a bit as people start thinking of the unthinkable task of preparing for fall. We do have a couple events happening, as well as our second annual GMM. Please continue to support this club and attend the meeting. We need everyone's input.

August has really flown by. It was a busy month. I have been attending a lot of functions .Aug 8th MRYC Reception . Aug. 12th The Sun Parlour Dinghy poker run . That was a lot of fun and then later that day FYC Reception. Aug 18th and 19th Seaway regatta another great weekend. Then of course Aug 25th and 26th. SunParlour regatta . It certainly was a great weekend. Started out on Friday night with a BBQ then the boat naming ceremony for Michele & Craig's boat . Glad we could be a part of it. Went over to Sun Seekers Reception. When we came back and sat back with friends and listened to a great band.

I am enjoying being your VC . I have had a lot of support and a warm welcome from everyone. Thank You Everyone

Report

Our biggest summer event is over, but what a success it was!

As one of the organizers, I know firsthand how much work it is to put one of these events on. Much of the work is physically demanding, which is hard on those of us who are aging gracefully! So, it was very gratifying to see so many members step up and pitch in to help! I cannot name and thank each of you personally, because I would positively forget someone, and I wouldn't want to do that! So, I will thank you as a group. Thanks!
