*Commodore's
Report
March Log*

As you all know we completed our events planning meeting, Jan.29th. A Calendar has been made for the log and the website has been updated. This is still a work in progress but I feel we have the majority of correct information distributed.

We have sent out reciprocal invitations to approximately forty clubs.

I know I've welcomed all the new officers and members to the board. I would like to take this opportunity to say thank you to the board members who have stuck it out for another year. To Shirley Gagnon, Treasurer. Margaret Zonjic, Membership chairperson. Penny Wilson. Regalia. And Dave West, Log chairperson I say thanks for

your continued support.

Our web site has taken on a new look. We are currently working on more updates to current pages and restructuring other areas of the site. We have some new ideas that possibly may be implemented during this year. We will keep you updated.

It's come to my attention from several members that we have not put enough advertisement, requesting members to pay their dues. Well if you've gotten this far in my report, keep reading. Here is your reminder. Please pay your 2006 dues. Thank you.

Since my new post as commodore, Connie and I have managed to keep busy. (An understatement) Actually we haven't had much time to ourselves but we will admit to having a great time representing the most convivial club we know, Sun Parlour Boat Club.

The AYC Ball was a great success with 84 members attending.

I would like to thank everyone that helped with putting the Hospitality room together, the food and prep time donated, and the Hosts and Hostesses that worked the room, the construction and decorating crew that did a fantastic job, and the members that came out and supported the event.

Please try to register early for Membership Appreciation night as it helps in organizing. Anyone needing more info, please feel free to contact me at your earliest convenience.

First off, I want to congratulate V/C John Bowers and Lady Margaret for taking the lead on the AYC room. They did an awesome job co-coordinating the Sun Parlour Team. The weekend was a great success and there was a lot of traffic in our hospitality room.

My first event will be on April 22nd at Seaway for the annual games. The flyer is on the web and also the log. I will need to know when you register whether you are coming by boat, or by car so I can make the necessary arrangements.

Looking forward to seeing you at Membership Appreciation night, looks like John has a great night planned.

Well, another month has past and another fun event has gone by. This years AYC Ball was a huge success and everyone had fun. (even if some of us can't remember all of it) A big "thanks" goes out to the AYC room committee and all that helped out to make this weekend a success and fun for all. Anyone who has pictures of the AYC weekend and would like to share them, please post them on the SPBC website so we all can enjoy.

I look forward in seeing all of you on April Fool's for our Membership appreciation night. Stay warm, there's one month till launch!

It would be great if everyone could renew their memberships and check for errors in the 05 roster before the new one for 2006 goes to print. If you have any interesting stories that you want to share with the members, please send them in along with any photos.

With the Detroit Boat Show done now, it is a sure sign that spring is on the way. We don't need to rely on some rodent for predicting when we have spring locally. It is dependent on when you can prepare and launch your boat that is really the key element. I am getting the wax and polish ready and cleaning all the windows and canvas in preparation for our launch.
